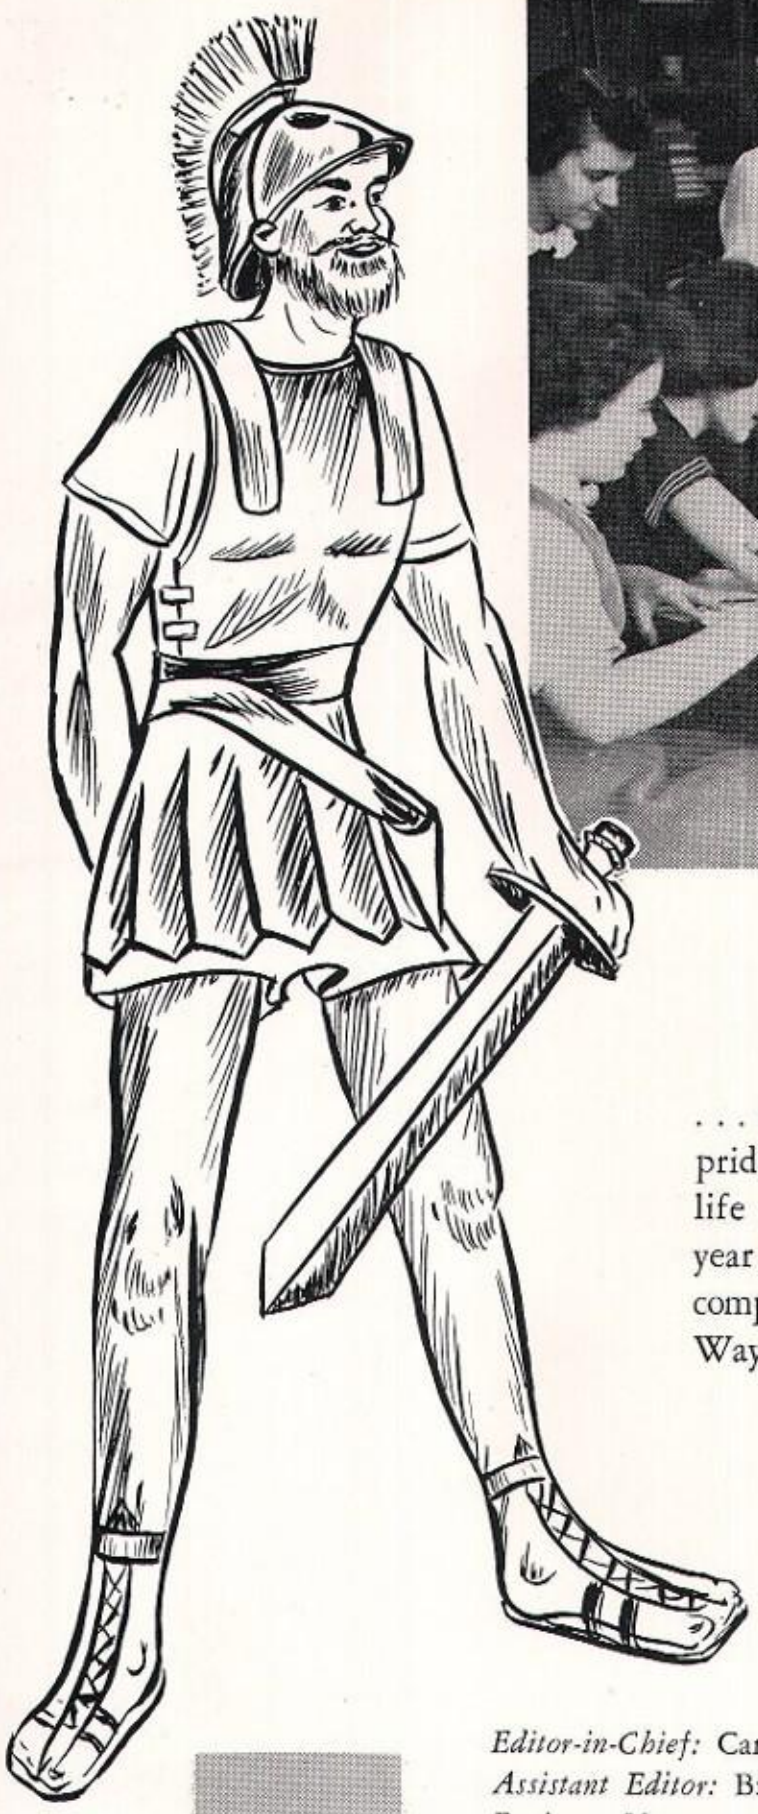
ACERIA



Many Gladiators . . .

. . . will long remember the unbeatable Waynetown spirit, that unquenchable school pride, that desire to pile honor upon honor as an inseparable part of their school life . . . But high school days do not last forever. The seniors graduate, and next year the juniors and sophomores will follow and keep up its spirit and pride in accomplishment . . . Between these covers is a partial record of this school year at Waynetown High. We hope that it will recall many happy occasions.

PRINCIPAL'S MESSAGE

For every opportunity we have in our lives today, there is a corresponding responsibility. For the splendid opportunity of freedom, there is the responsibility of safe-guarding that freedom. We believe that nowhere is the youth of America given a better laboratory for the preparation of life than in our present day school system. In many instances life situations are provided to develop judgment, loyalty, stability, and other essentials of good character. The trials and problems faced in school become the happy memories in the years ahead.

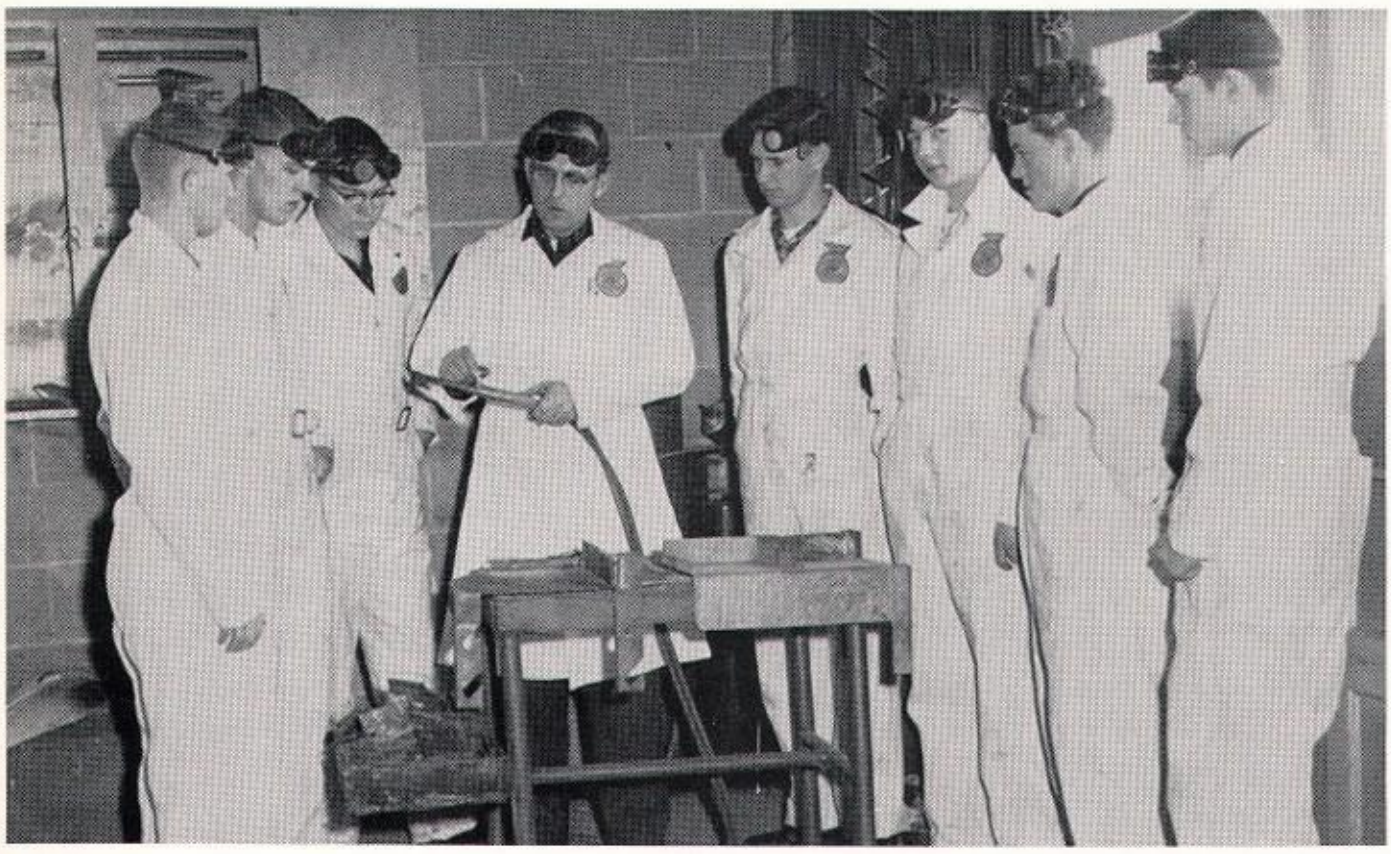
DEPARTMENTALS

As the world grows smaller there is more knowledge to be acquired . . . so we find that our school days are filled with a never ending mixture of books, classes, and teachers . . . and that, too, can be fun.



Developing mechanical skills!!??

TODAY'S CLASSES MAY DECIDE

The producers of tomorrows crops study the fundamentals of vocational agriculture.

The dresses of today are sewn by the homemakers of tomorrow.

OUR FUTURE VOCATIONS

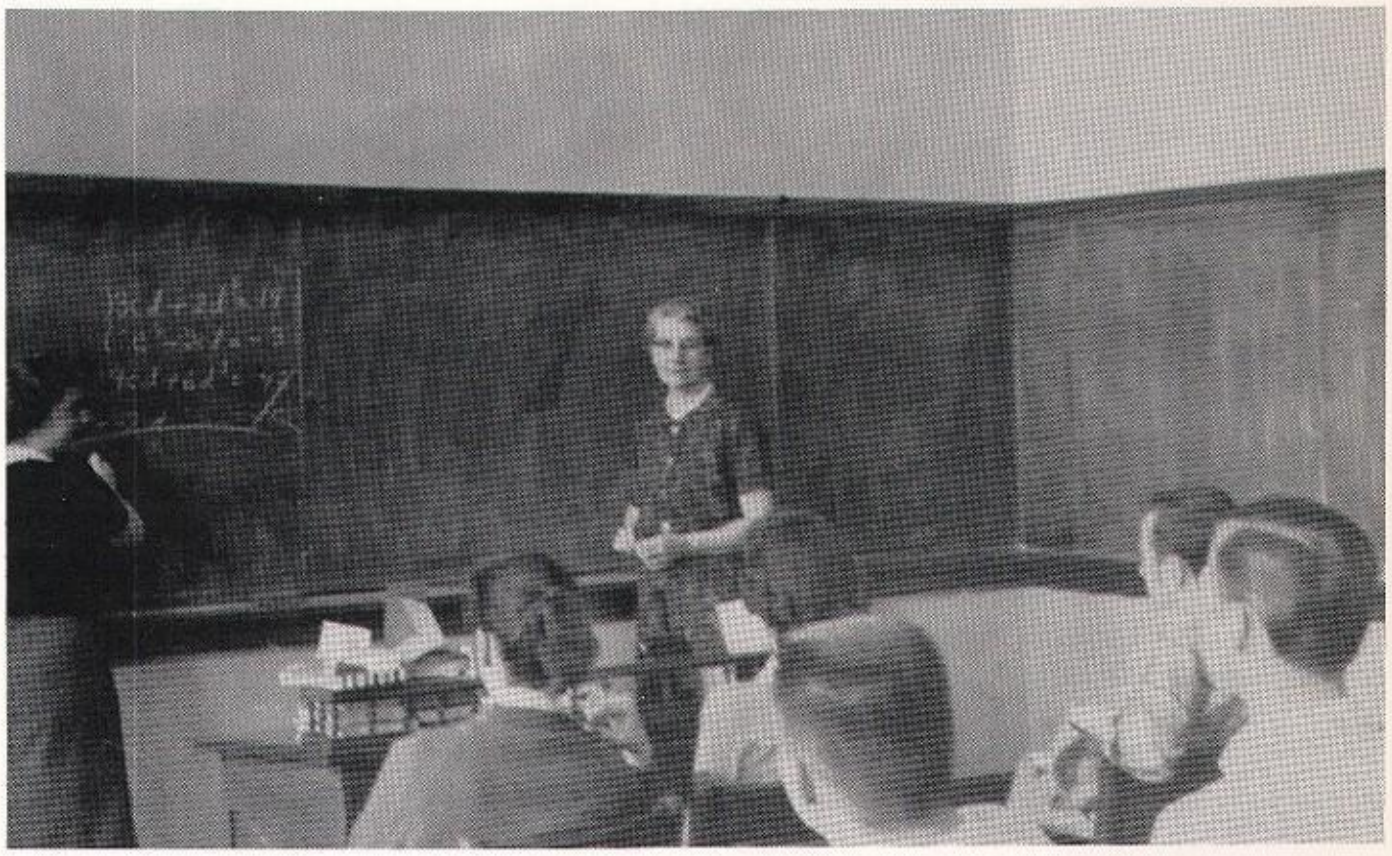
Far away places are as near as your library; the staff will chart your course.

Future secretaries take dictation from "boss," Mr. Duncan.

TRAINING FOR BUSINESS

Finishing touches were added to practice sets following the strenuous "bookkeeping party" of the night before.

"Ah, sweet mystery of life!"
X=What???????

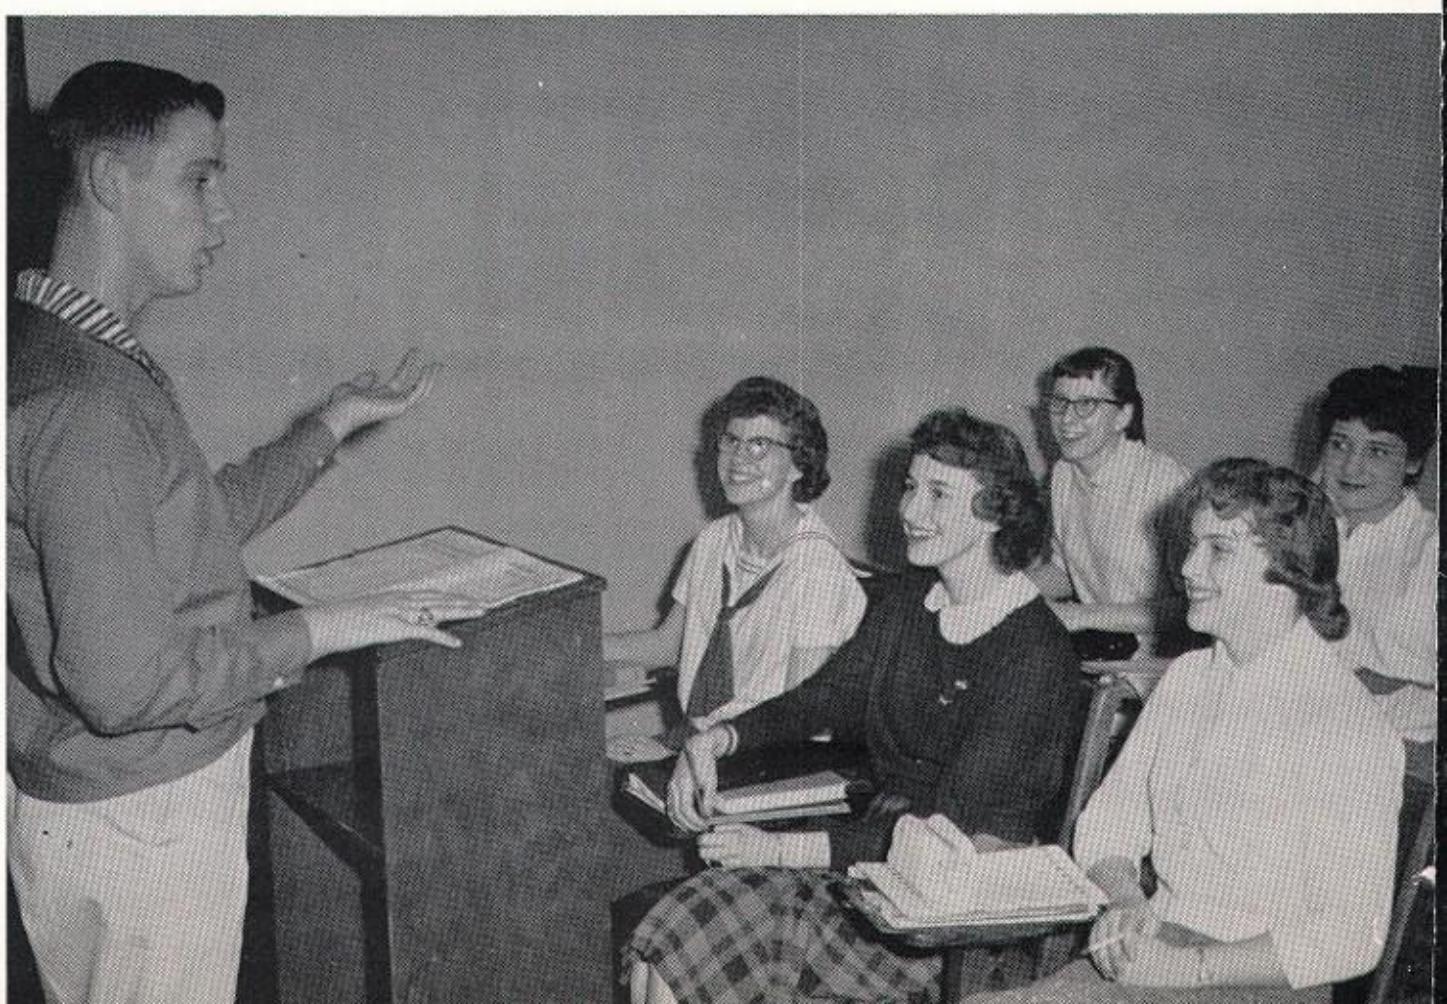


AND EDUCATIONAL CAREERS

Heap big "pow wow" held in chemistry lab.

Two classes of typing were available to students during their Junior year as prep for a business career.

LEARNING CAN BE FUN . . . AND



Students that have proven their qualifications during the years are part of this advanced group of orators.

At the age of 15, students become qualified to take drivers training. This course has proven quite successful from the safety standpoint.

INTERESTING TO MOST STUDENTS

The knowledge of the inner working of our government is essential for each citizen. In order to acquire this knowledge this course is offered during the senior year.

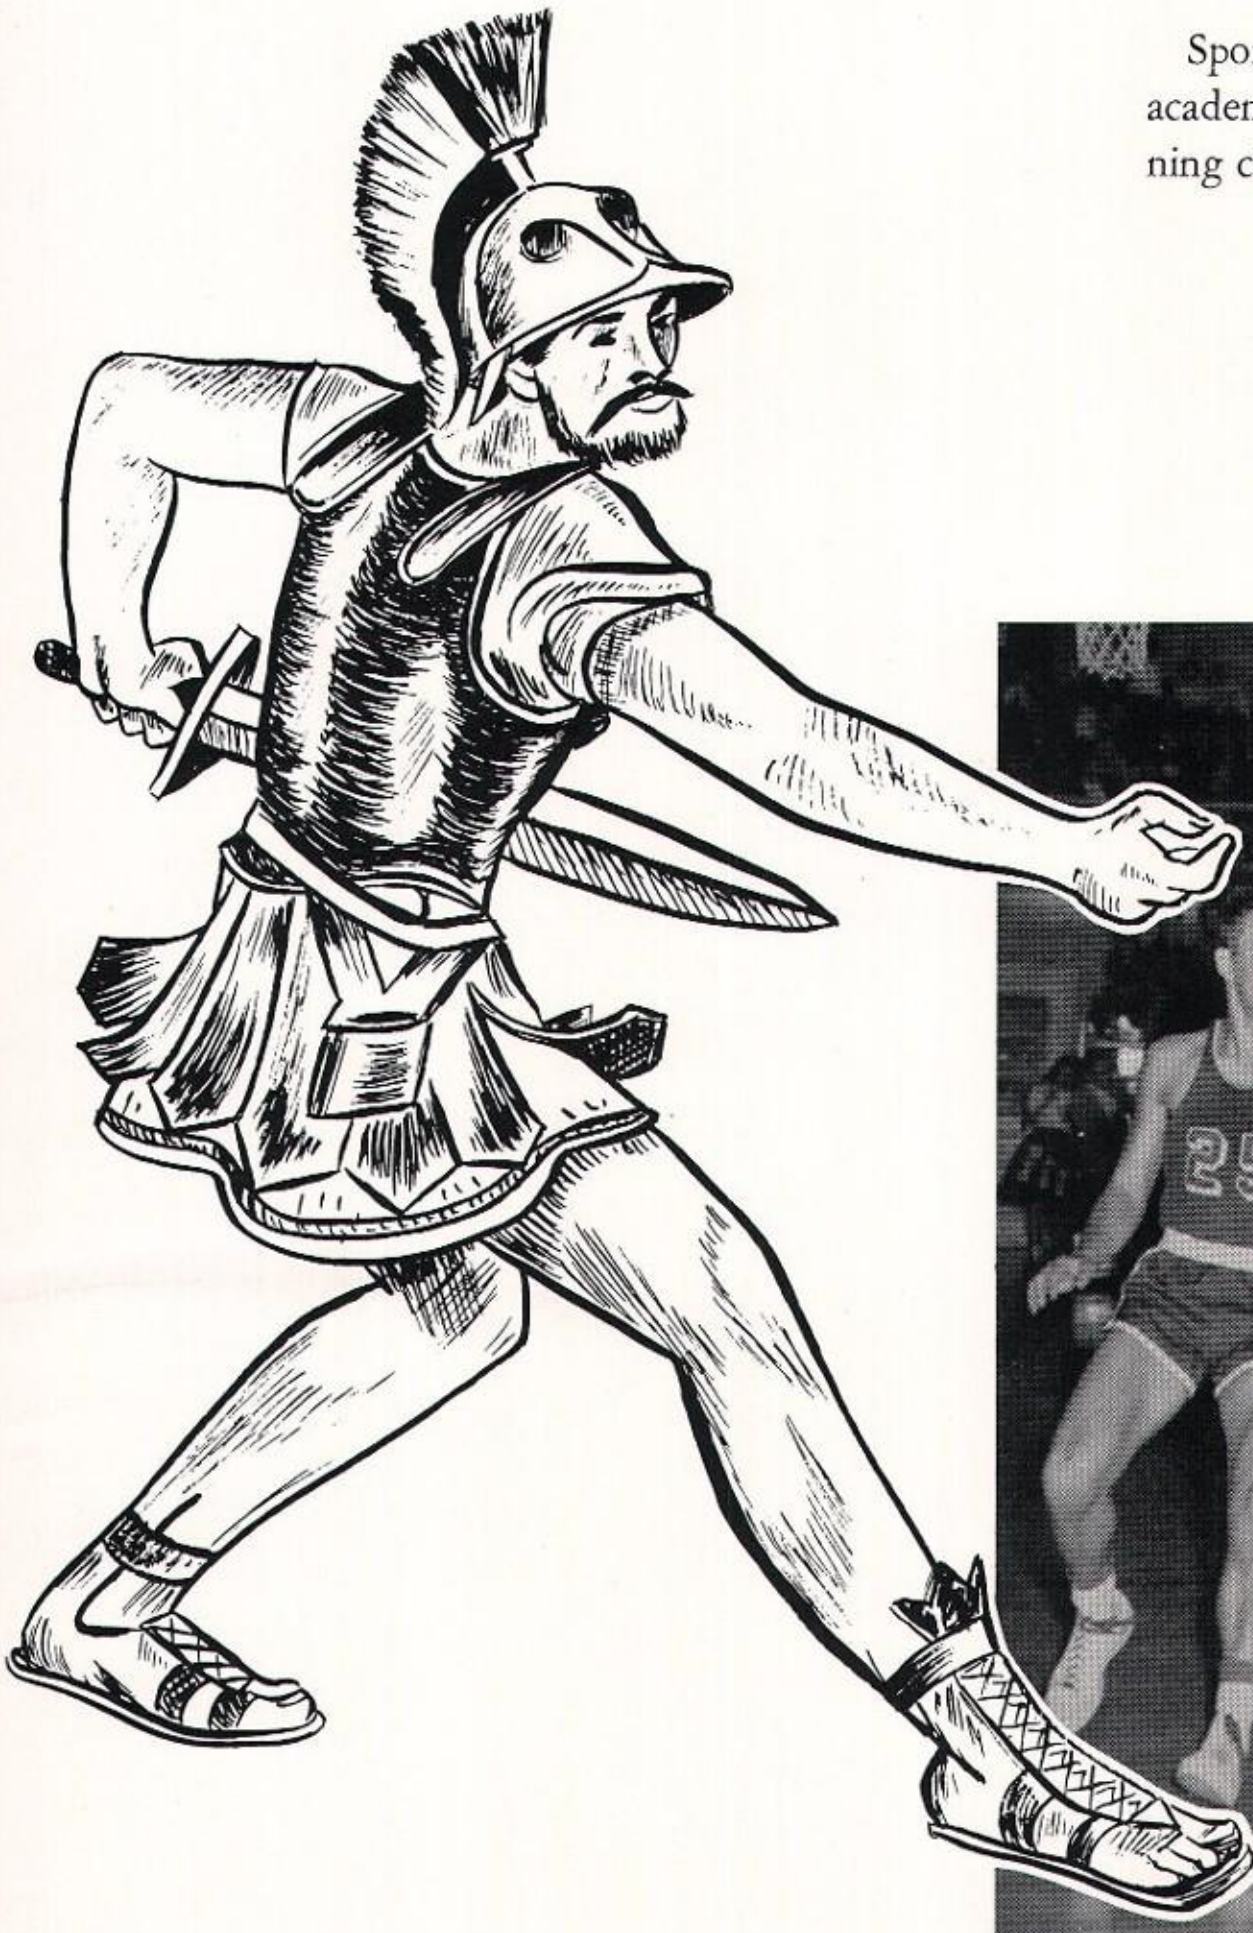
Every morning students assemble in the Study Hall for instructions and announcements which affect their schedule during the day.

TOMORROW COMES ALL TO SOON

"Man may not live by bread alone," but try to convince these girls of that at lunch hour.

SPORTS

Sports are a necessary diversion from academic work, in that they build winning character and understanding.



VARSITY

The Waynetown High School basketball team, under coach Ken Shoup displayed good sportsmanship and enthusiasm, although they weren't too successful in the won and lost column.
Four lettermen will be lost, but Waynetown is looking forward to a successful season next year.

"B" TEAM

Our "B" team was successful in its efforts to produce a respectable win and lost record. Through fine coaching, a marked change was seen in the members.
They worked hard; however, they failed to win their invitational tourney.
Next year, the varsity will be composed chiefly of those who gained experience on the "B" team.

7TH AND 8TH GRADE BASKETBALL

We appreciate the efforts of our coach, Mr. Ken Shoup, and his ability to cope with trying situations.

His spontaneous enthusiasm inspired all.

Throughout the years, these cheerleaders missed no opportunity to lead the fans in unified cheering to stimulate student spirit and rally them in support of the Gladiator team.

The responsibility for student spirit is left to the cheerleaders—the '59 leaders accepted the responsibility with willingness.

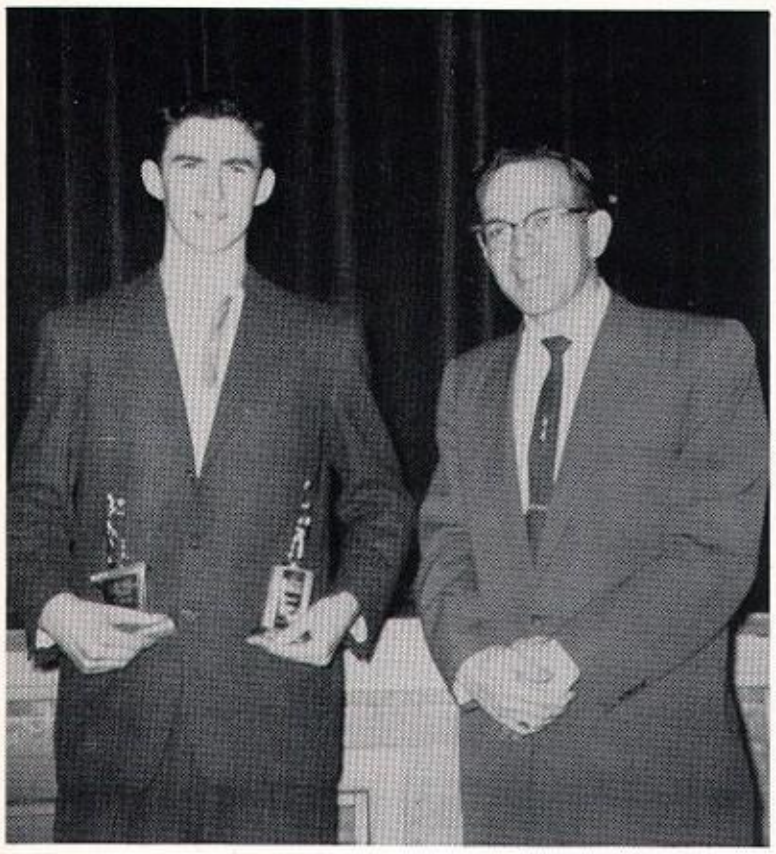
VARSITY TRACK

With spring in the air, our team once again took to the track. The crack of the starter's gun beckoned students to assemble and cheer on the Waynetown team.

A favorable combination of experience and depth give promise for a bright '59 track season.

When the bar is cleared, its a long fall to the sawdust for vaulter, J. Harpel.

Why not set a new school record, R. Bryant.



The Junior Class kept the basketball fans refreshed with their delicious snowballs.

It was an exciting evening for S. Pierce when he received both the "B" team field goal and free throw awards.

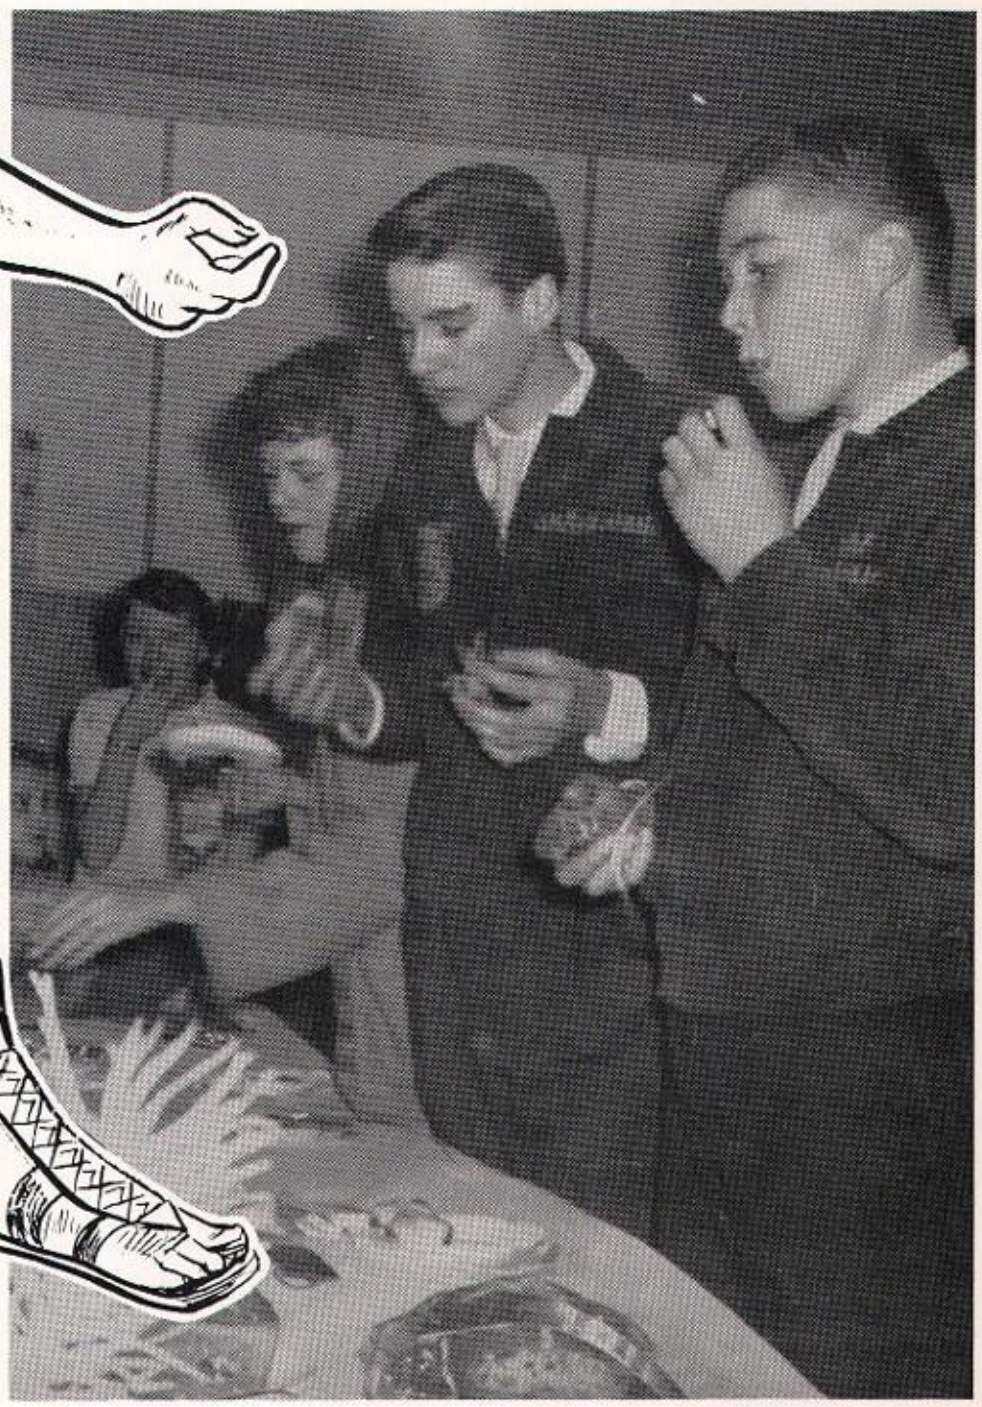
ORGANIZATIONS

A school is not complete without its active organizations, and Waynetown is no exception. These activities are very time consuming and often tiring, but the results are their own reward.



A talented group of young musicians set the pace for our Sunshine Christmas Ball "Winter Wonderland." Marilyn and Harvey seem to be enjoying themselves.

The Sunshine Society is an organization of the state of Indiana. Its purpose is to spread warmth and sunshine into the hearts of others. Yellow and white are the colors of the society with yellow symbolizing the light and warmth of the sun while white stands for purity. The election of Mrs. Loveless to the position of Dean of District I greatly increased the enthusiasm of our organization. The Sunshine organization has been active in Waynetown forty-four years and will never lose its vitality.

Among those present who enjoyed the Annual Halloween Mixer are Mr. and Mrs. Atwood Smith and Mr. and Mrs. E. J. Biddle.

The Annual Sunshine Dinner was held April 9th. The primary concern was that of honoring the Senior members.

Marilyn Moore and Judy Houser deliver cheerplates at Christmas time.

Corn Gold and National Blue are appropriate colors for the National Future Farmers of America Organization. The Waynetown Chapter farms ten acres behind the school building. This not only provides a laboratory for farm machinery and crop experiment but supplies experience for the eager future farmers. This year the Chapter chose Mary Jane Finch as their Sweetheart for 1958-59.

"SHE'S A SWEETHEART . . ."

OF F.F.A.

F.H.A.

The Future Homemakers of America is a national organization. Different themes and goals are set up by the state each year. This year our theme was, Marriage, Career—Education for Both. Our creed best expresses our individual chapter goals. "We are the Future Homemakers of America. We face the future with warm courage and high hope. For we have the clear consciousness of seeking old and precious values. For we are the builders of homes, homes for America's future. Homes where living will be the expression of everything that is good and fair. Homes where truth and love and security and faith will be realities, not dreams. We are the Future Homemakers of America. We face the future with warm courage and high hope."

This happy couple seems to be enjoying the F.H.A. "Heaven of Hearts" Valentine Dance.

This year the F.F.A. honored the F.H.A. at a Christmas banquet where the F.H.A. Chapter Sweetheart was announced.

The cooks pause for a picture while preparing the meal for the "B" Team basketball tourney.

The girls wait anxiously for the results of the judging of the Grain and Home Show. The men are shown judging the F.F.A. projects.

We are honored to have Lois Larew as the Central District Vice President of F.H.A. Don Livingston is the District President of F.F.A.

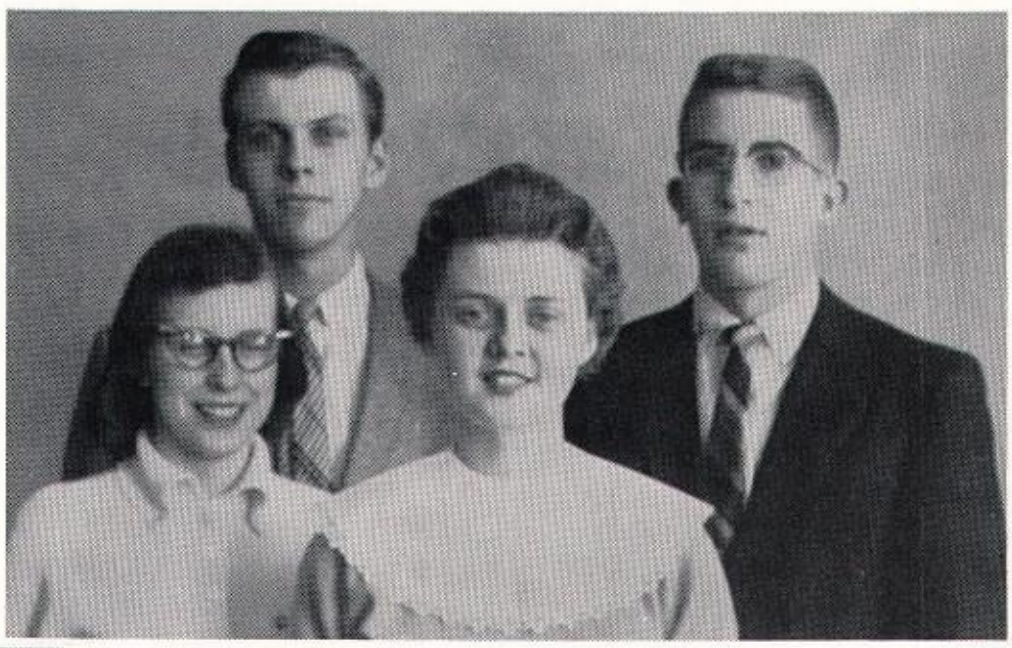
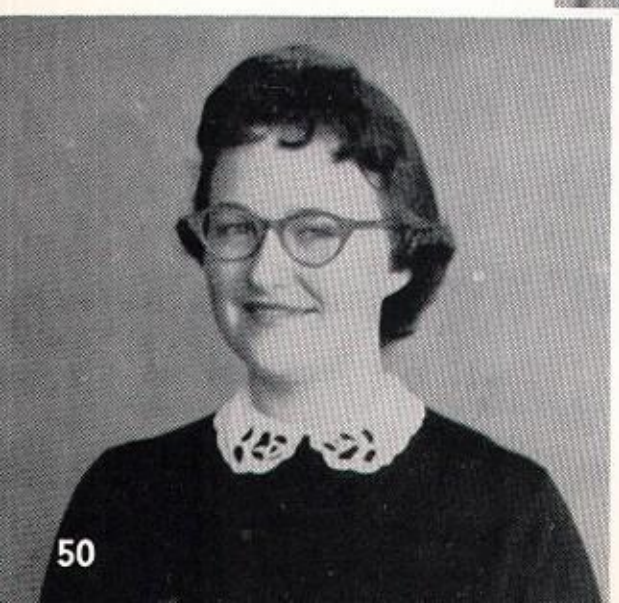
The Council works as a liaison between the faculty and student body concerning matters of student government and activities. Seated, left to right: R. Henthorn, N. Myers; Advisors, Mr. Mitchell and Mrs. Loveless; J. Snyder; Secretary and Treasurer, S. Soards. Standing: Vice President, J. Finch; R. Bryant; C. Debord; President, C. Myers.

SPECIAL HONORS



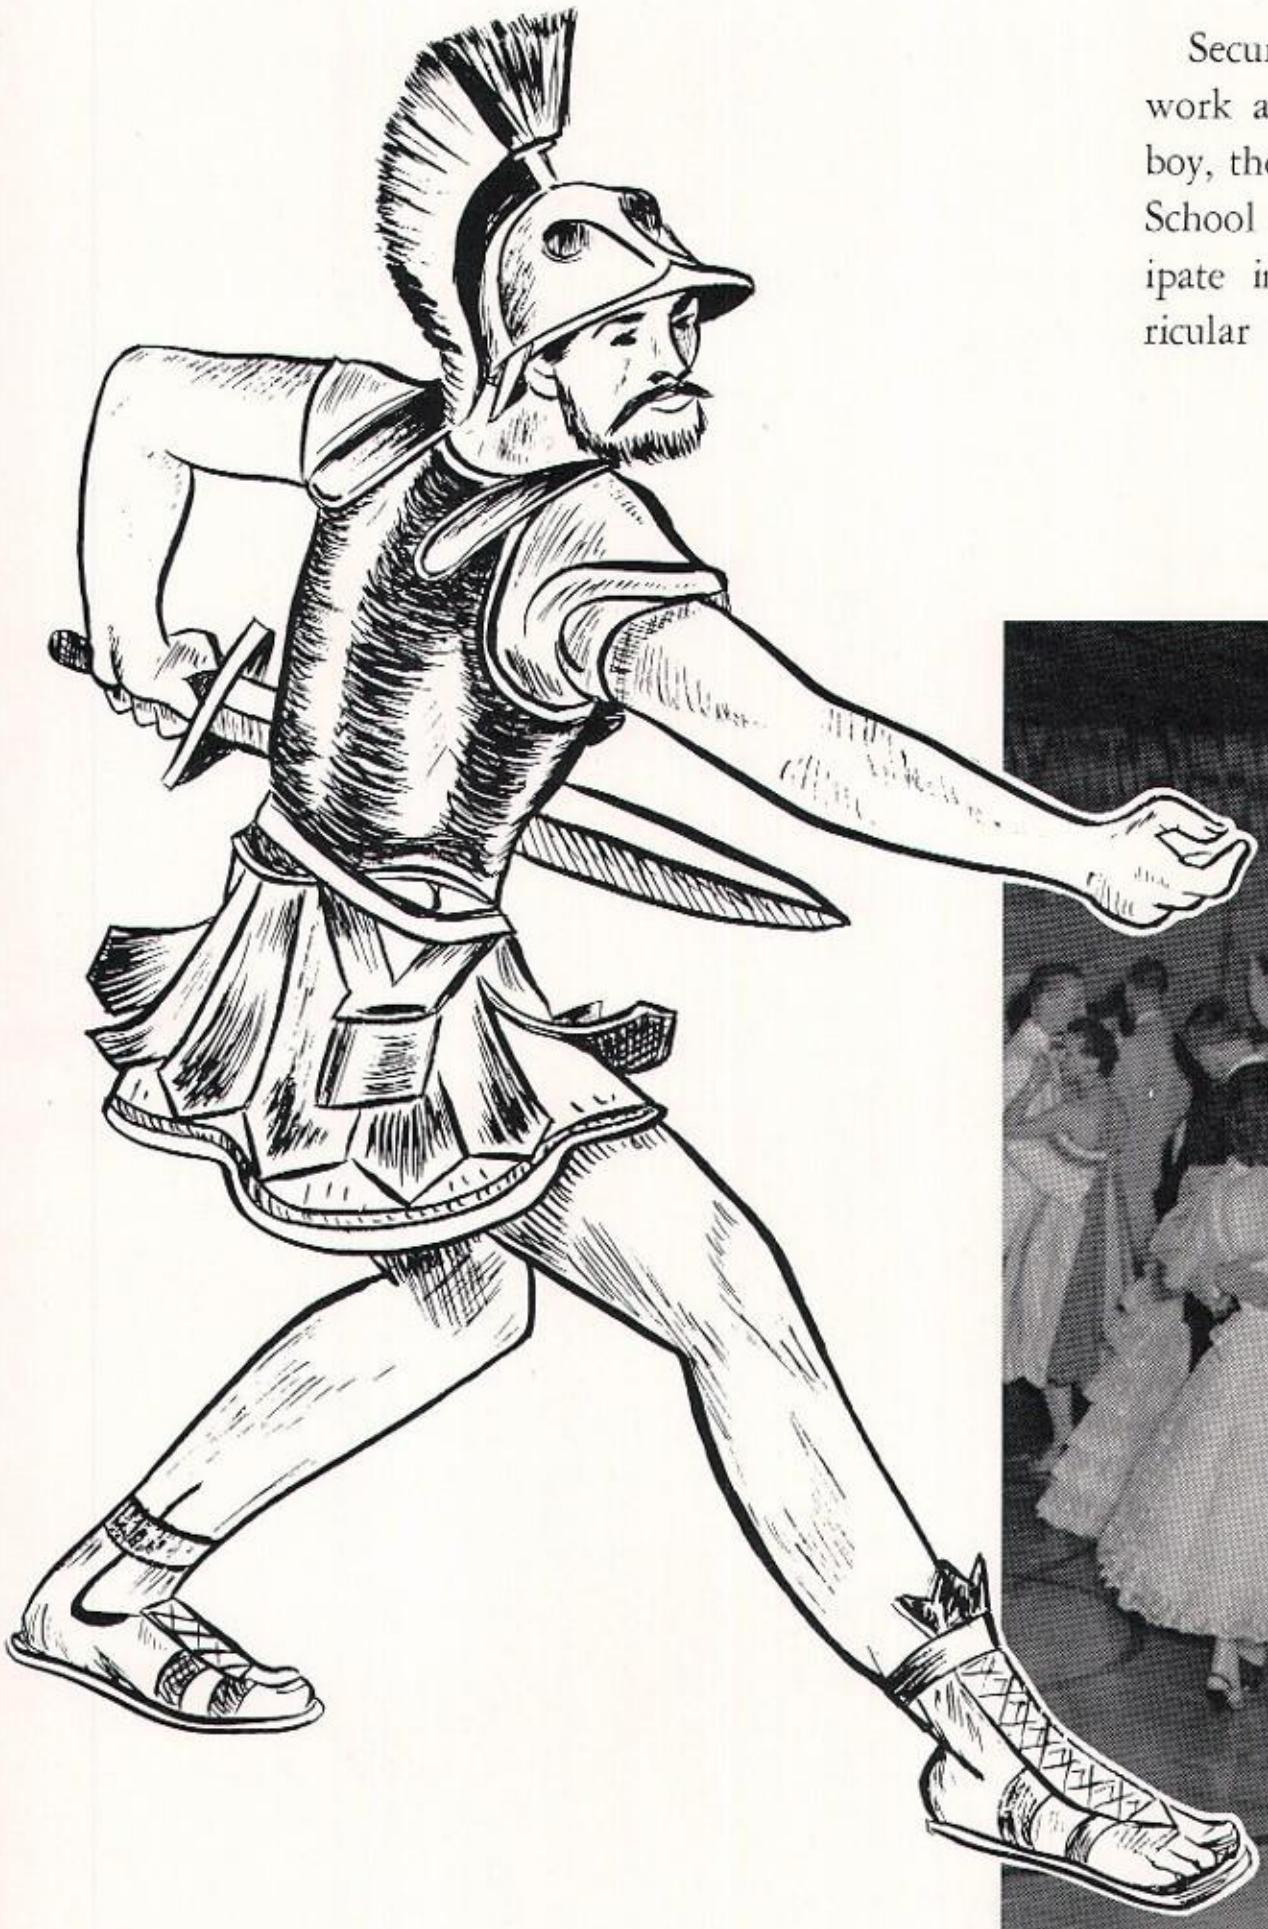
First hand knowledge in practical politics is the goal of our statesmen as they attend Boys' and Girls' State. Our Boy Staters were Don Livingston and Carroll Myers, and the Girl Staters were Sandyra Carroll and Sheila Hudson.



D.A.R. Good Citizen Award winner Lois Larew.

Betty Crocker Homemaker of Tomorrow Award, Sharon Soards.

ACTIVITIES



Secure in the knowledge that all work and no play makes Jack a dull boy, the students of Waynetown High School have the opportunity to participate in a wide variety of extracurricular activities.

HOME

Our annual Homecoming took place on November 21, 1958. The day was planned and sponsored by the Student Council. A parade was held in the afternoon led by the band, followed by the Queen's float and floats representing each class. This event will be held in the hearts of the students as one of the outstanding occasions of their high school years.

The noise and shouts of the Homecoming Game give way to the soft lights and sweet music of the Homecoming Dance.

JUNIOR PLAY

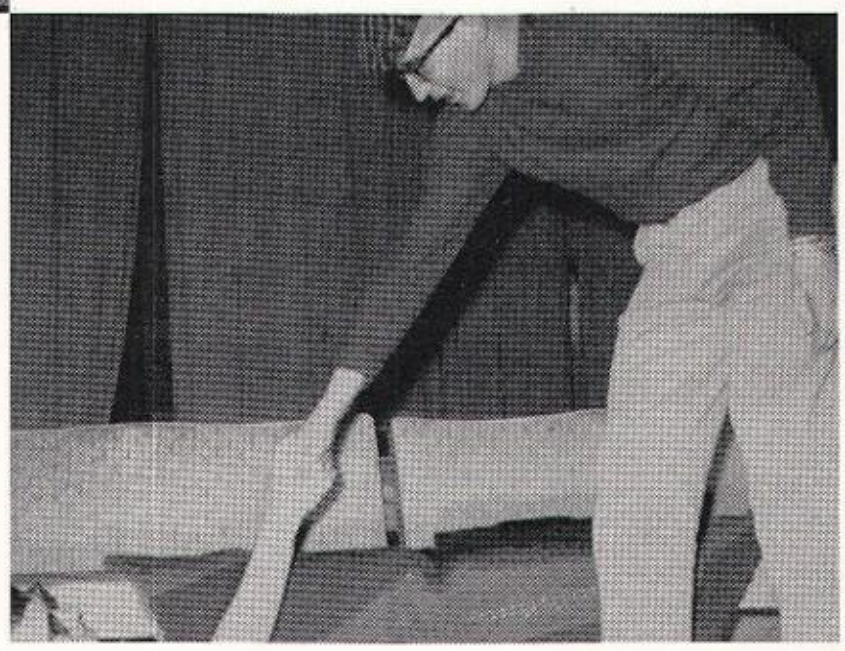
"THE GROOM SAID NO!"

An anxious group of neophyte Thespians tread the boards for the first time and come through with colors flying. "The Groom Said No!" was presented on October 21. Their first attempt at drama was accepted with appreciative applause.

SENIOR PLAY

"IF YOU KNEW SUSIE!"

To the delight of a capacity crowd the senior class presented the sparkling comedy, "If You Knew Susie!," as their annual play on April 16. This light-hearted farce provided a pleasant interlude that will be remembered by all those fortunate enough to have seen it.



A helping hand for a fellow sufferer.

The Chinese expression "What you do speaks so loud I cannot hear what you say," appropriately summarizes what could be a lengthy account of the efforts of the ACERIA staff this year.

From the beginning the staff has labored under a variety of problems which, at the time, seemed almost insurmountable. With the complete co-operation of the entire staff and the guiding hands of our advisors, Mrs. Venis and Mrs. Loveless, the project has finally reached completion.
